4	Hady Hany	hadyhany123@gmail.com	0151508235	Design Engineer		Egypt	Early	Bachelor's	Yes	English, Arabic	Dear Hiring Team, I'm applying for the Design Engineer role. I am an early-career Junior Structural Engineer at ENPPI, currently working on the WEP project, with prior experience at DALAL Steel Industries. My focus is steel and PEB structures designed to AISC standards, including member design, connection design, and preparation of calculation notes and drawings. I work daily with STAAD.Pro and MBS for analysis and design, IDEA StatiCa for steel connections, and AutoCAD for 2D deliverables. I'm comfortable coordinating with detailing to resolve clashes and respect shop limitations, and I collaborate with sales/PM to align designs with client requirements and budgets. On the WEP project I have contributed to the design of various steel items across buildings and process facilities, meeting tight schedules and QA checks. I bring strong fundamentals in structural mechanics and code compliance, a practical mindset for buildability, and clear communication in English and Arabic. I'm eager to learn, open to responsibility, and motivated to contribute from day one. I would welcome the opportunity to discuss how my skills can support your team's goals. My CV is attached for your review. Kind regards, Hady Hany Cairo, Egypt Email: hadyhany123@gmail.com +971509896807 +201551308235	View	September 6, 2025 12:56 AM
