I greatly appreciate you offering your contact details. BAPP are the largest manufacturer and distributor of fasteners in the UK. We specialise in the structural and engineering industry and with more than £12 million worth of products currently in stock, I believe we would be very competitive in the product you could look to take from us as we ship globally. I have attached a BAPP catalogue and a structural bolting guide if that would be of some use to you. All items readily available for next day delivery (due to stock availability & delivery location). Feel free to look at our website for an idea of the volume of product we offer. www.bapp.co.uk I'd love for the opportunity to speak with you further to see whether we can provide any products you're currently using and how we may compare to your current suppliers. Should you have any live enquiries or would like to send any lists through as a pricing exercise to see how we compare to your current suppliers, please feel free to do so. I look forward to hopefully speaking with you in the future.	February 10, 2025 9:20 AM
